## WHAT'S DIFFERENT ABOUT THE NCA?

**RARE BREEDS.** The NCA offers a *RARE BREED GROUP*. This will provide rare breeds an opportunity to gain championship and other titles through national all-breed events. Competition will be within the respective breeds with Best of Breed winners advancing to the *RARE BREED GROUP*. Group winners will advance to Best in Show.

**PUREBRED COMPANION DOGS.** (This is a dog show class only.)

The NCA believes **all dogs are created equal**. The NCA has established two categories for the purebred companion dog class:

- a) **PUREBRED RESCUE DOGS** – The NCA believes the individuals who own rescue dogs deserve special recognition and accommodations to meet their desire to participate in competitive events. Accordingly, the NCA has established a special registry and competition for these purebred rescue dogs. Purebred rescue dogs should be registered as such on Purebred Rescue Dog NCA Form #4 (not included in this announcement) and when competing at NCA events should be entered in the Purebred Companion Dog class.
- b) **PUREBRED DOGS WHO CANNOT BE SHOWN IN THE REGULAR CLASSES** – There are a number of reasons why a **properly registered purebred dog** cannot be shown in the regular classes for competition. Additionally, an owner may realize that their particular dog is not up to competing in the regular show classes. These purebred dogs should be registered on the enclosed Purebred Single Dog Registration Application NCA Form #1 and when competing at NCA events should be entered in the Purebred Companion Dog class.

Normally, there will be one class for purebred companion dogs to include dogs and bitches. However, when the number of entries within a particular Group warrants, the dogs may compete by Group. A *Recognition of Achievement* certificate will be awarded to a dog that has attained twenty (20) points from this class.

**SPAYED OR NEUTERED DOGS.** While the NCA values the role of the breeder, we believe the sport of dogs should be opened to more than just breeding stock. Therefore, properly registered purebred dogs, which have been neutered or spayed, are eligible to be shown and compete in the regular classes of their respective breed through Best of Breed, Group and Best in Show provided the breed standard does not specifically disqualify spayed or neutered dogs. (If the breed standard states spayed or neutered as a disqualification, these dogs may be entered in the Purebred Companion Dog class.)

## CONCERNING NCA REGISTRATION OF DOGS
